Neighborhood Watch Instructions

An alert and cooperative neighborhood is the greatest single defense against crime. By getting to know your neighbors and their vehicles, suspicious people, vehicles and/or sounds will alert you to the possibility of criminal activity. Promptly reported to the police, your alert cooperation may save a neighbor from the trauma of burglary, vandalism or assault.

Please complete this form (with as much information as you are comfortable providing). We will compile everyone's information into a Neighborhood Directory to make it easy to contact your neighbors as part of the Neighborhood Watch Program. Remember that a Neighborhood Watch Program can be a precaution and defense against crime in our community.

Sincerely,
Grand Park Estates Safety Committee
